WHO WE ARE

GCraft UPVC, established in the year 2020 at Nagalkeni, Chrompet, Chennai.

We at **GCraft UPVC**, are one of the leading Wholesaler of a premium range of UPVC Windows & Door Profile.

With the support and guidance of our valuable group, we have created a niche for ourselves in the market and successfully established beneficial business ties with the most reputed vendors and clients in the industry.

WHY CHOOSE US

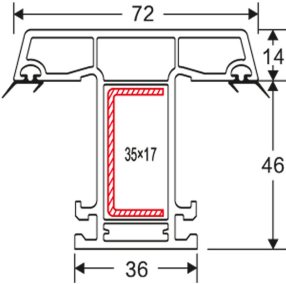

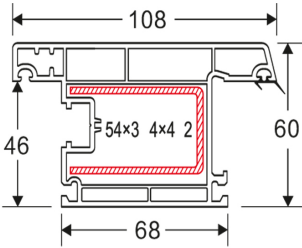

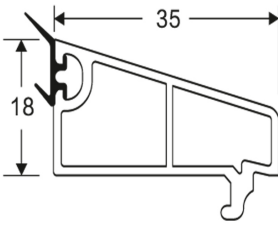

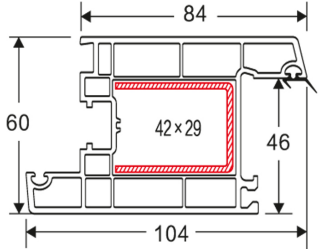

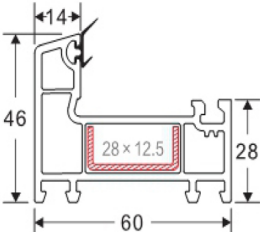

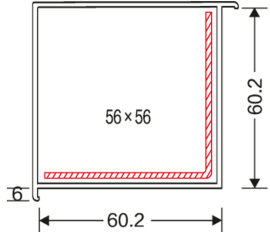

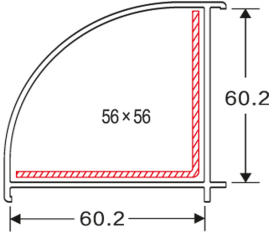

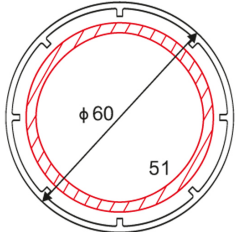

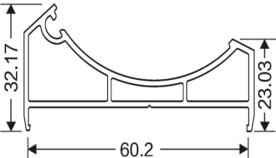

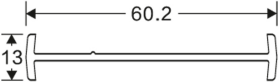

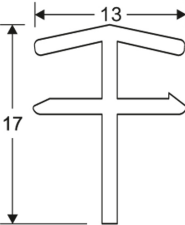

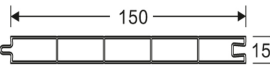

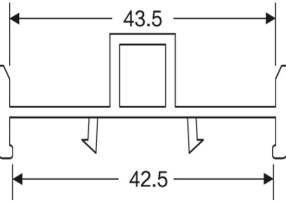

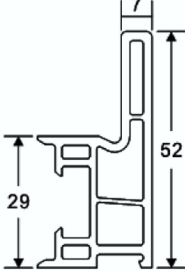

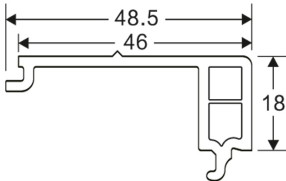

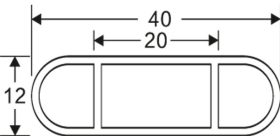

-  High Sound Insulation
-  Maximum Wind Resistance
-  Naturally Fire Hydrant High Impact Strength
-  Maintenance Free & Long life
-  Termite Free
-  Multi Chambered Advance Window & Door Systems

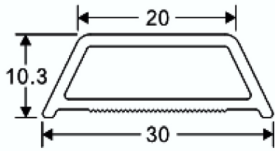

Our high-performance house windows add an architectural dimension to your home. **GCraft UPVC** in India keep out street noise, dust and pollution, rain and gale force winds. At the same time, they are energy efficient, low maintenance, and long-lasting.
